### Declaration by the candidates

- The information I provided adheres to the published rules and I have carefully examined them.
- I believe that I have provided all the necessary information truthfully and accurately.
- I acknowledge that I am only allowed to take the subjects and papers indicated on this form.
- I have not registered at any other Edexcel International examination center.
- I understand that I will meet all the costs if any amendments need to be made after registration due to my mistake.
- I understand that if I can't pick up my result slips/certificates, I must give a letter of authorization to allow a guardian to retrieve them. The letter should include my address, signature, and registration data.
